

# Questions for Notebook Users

- What did we talk about in our last meeting?
- Can you send me your notes in e-mail?
- What did we decide about this before the re-org last year?

# Questions for Notebook Users

- What did we talk about in our last meeting?
- Can you send me your notes in e-mail?
- What did we decide about this before the re-org last year?

# Questions for Laptop Users

- Where were the action items from the previous meeting?
- What are all the things you need to talk to X about?
- Last week someone drew a picture on the whiteboard which explained EVERYTHING... what was it?

## Some possible directions for v2

- PocketPC story
  - Take a note on my PPC, shows up in Scribbler
- Meetings integration
  - “Take Notes” button in reminder dialog
- Cooler UI for organizing note pages
  - Sort notes into piles to build an outline
- Electronic handouts
  - Import an Office doc and write on it
